**ISSUE:**

A Resolution to approve the execution of the Multi-Jurisdictional Automatic Aid Agreement for fire and emergency medical services (an Interlocal Cooperation Agreement).

**SYNOPSIS:**

The City would like to enter into an interlocal agreement that provides for mutual aid to assist the other agencies in times of fire emergency and in incidents requiring emergency medical response.

**BACKGROUND:**

The agencies involved in this agreement are West Valley City, Bluffdale, Lehi, Midvale, Murray, Salt Lake City, Saratoga Springs, South Salt Lake, South Jordan, Sandy, West Jordan, Tooele County, the Unified Fire Authority, Park City Fire District and South Davis Fire District. They all agree that there is a community-wide need to provide for automatic aid response for both fire fighting and equipment and emergency medical personnel, outside the normal jurisdiction area of each party. The purpose of this agreement is to promote the health, safety and welfare of the citizens of the parties through providing for mutual aid by authorizing all participating municipalities to combine and share their collective capabilities and resources at the election of each jurisdiction.

**RECOMMENDATION:**

It is recommended that this the West Valley City Council approve this agreement.
